LH Group response on CAP2265E Appendix C: Notice of Proposed License modification to insert a new price cap from 1 January 2022 to 31 December 2022

Dear Paul,

On behalf of Lufthansa, Swiss International Air Lines, Austrian Airlines, Eurowings and Brussels Airlines we welcome the opportunity to comment on the CAA Consultation as stated above (CAA CAP2265E Appendix C).

From a workload point of view, we, unfortunately, are not in a position to individually reply to this comprehensive document, but wish to emphasize that we fully support and endorse the contents of the detailed responses you received by Star Alliance and AOC / IATA / LACC.

We kindly ask you to revisit the points brought up by Star Alliance and the AOC / IATA / LACC to identify further possibilities to reduce the charges increase for next year. Especially 2022 will be a crucial year to build back customer confidence and demand, which will certainly be supported by competitive airport charges at Heathrow Airport.

We are looking forward to a continued dialogue and the reflection of the airline industry feedback in an amended proposal.

Yours Sincerely,

Dr. Holger Benjamin Koch
